3. From your list of bids select the one you want to increase and click on the "+" sign.

The screenshot shows the Frank Hall appraisals & estate sales website. The top navigation bar includes 'Current Auctions', 'Past Auctions', and 'Email List'. Below the navigation, there are filters for 'All Auctions', 'Refresh', 'All Statuses', 'Sale Order', and options for 'Hide Closed Lots' and 'Group By Auction'. A warning message states: 'WARNING: Click here to refresh the page and get updated bid amounts, time left, and bid status.' The main content area displays 'Winning "High Bid" Total: 85.00' and 'Winning "Your Max Bid" Total: 85.00'. A yellow arrow points to the '+' button next to the 'Winning' bid for Lot 372, which is for '(3) INTERESTING INSULATED CARAFES'.

4. New window "CONFIRM YOUR BID" enter your new maximum bid and click "Confirm Bid".

The screenshot shows the 'CONFIRM YOUR BID' window for Lot 372, '(3) INTERESTING INSULATED CARAFES'. The window displays the current 'High Bid' as 85.00 CAD. The 'New Max Bid' input field contains the value 90.00, with a yellow arrow pointing to it. Below the input field, it indicates '(Min = 90.00 CAD)'. A 'Confirm Bid' button is visible. A blue information box states: 'Your bid is the maximum amount that you are willing to pay for this item. The auction software will bid on your behalf up to this amount.' At the bottom, it mentions 'Buyer's Premium 13%**SAVE 3% PAY BY**E-TRANS or CHEQ**' and a checkbox for 'By submitting my bid, I agree to abide by the Terms and Conditions'.

Keep in mind that your maximum bid is the **maximum amount** that you are willing to pay for this item NOT the amount you are currently bidding.

The auction software will bid on your behalf up to this amount ONLY if there are others bidding against you, and ONLY until you are either the highest bidder or the bidding reaches your maximum bid.
